About Us

For over 50+ years **SURGIMENTS** has built and sustained an enviable reputation for the manufacture and consistency in the supply of precision surgical instruments for super speciality and other surgical procedures.

As an ISO 9001:2015, ISO:13485 medical devices and CE certified company we have distinguished ourselves as a major leader in redefining the provision of high-quality surgical instruments and have become well known for the passion of our people, and partners, in providing unsurpassed levels of service to our customers worldwide.

Our mission is to be the healthcare industry's first choice for all their surgical instrument requirements and to deliver products of outstanding quality, with great service, at an affordable price.

What we can offer:

- High-performance surgical instruments covering various surgical specialties
- Over 1,00,000 patterns of surgical instruments and accessories
- Exceptional customer service
- Precise Microsurgical Instruments for Micro surgical procedures such as micro vascular, skull base, pitutary and micro ear, surgical procedures
- Complete range of Neuro-Spine, Ortho Cardio Thoracic, Hepatobiliary, Liver Transplant, Renal Transplant, General surgery, Paediatric Surgery, Oncology, Gynaecology, Arthroscopy, Sinus copy, Plastic and Cosmetic Surgery.

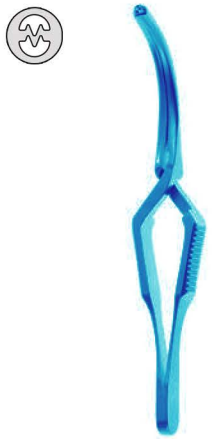

Competitive Advantage

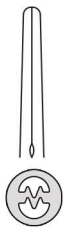

Through precision engineering services we employ the latest technologies to enable us to offer everything from design, prototyping and on to full production run. We can assist with everything from a single component or device, through to a full instrument system.

From Concept, to Design, to Manufacture, our team of highly experienced skilled technicians can deliver the quality, the surgical industry and many other healthcare sectors insist on and expect. Our manufacturing facility has the unique combination of special purpose machines and the superior skills of artisans who are able to turn out hand-crafted, precise, durable and finely adjusted instruments. This combined with superior grades of Stainless Steel, Titanium and extra hard-working surfaces such as Ceramic and Tungsten Carbide gives an unmatched level of performance and longevity.

Our service team staffed by skilled craftsmen take much pride in restoration of damaged surgical instruments as they would do in the production of new instrument. Surgiments maintains a complete repair and sharpening after sales service facility
